Feature:-

Are you in the market for Navajo Blankets, Silverware or other goods? We have both old and new, good blankets, trade blankets, marriage baskets, good made goods, blankets, and in fact all articles that are made by both the Navajo and Hopi Indians. I have been trading with this Indians for over thirty years. I sell the best Navajo blanket that is made by the Navajo Indians, for the benefit of the Indian to you may be an assistance. I refer you to Mr. Herbert Smith, Director of the Bureau of Indian Affairs, if you are in the market for any goods of this kind from first hands, I will be pleased to hear from you. It takes several days to make a blanket as I live a long way from the B.I.A., but I am the owner of the Navajo Blanket, and the Navajo Reservation. For the better and for the benefit of the Indian as you see your goods are made by the Indian and the Indians.

I hope that you will understand this in the best way and not think of it as a joke, but if you are not in need of any of this goods, if you have any more goods, please send me some to use.

Yours truly,

J. L. Hubbell
